

Warren Wood “Lumps & Bumps” Walk Sunday 31st October

When: Sunday October 31st, 10:23am GMT

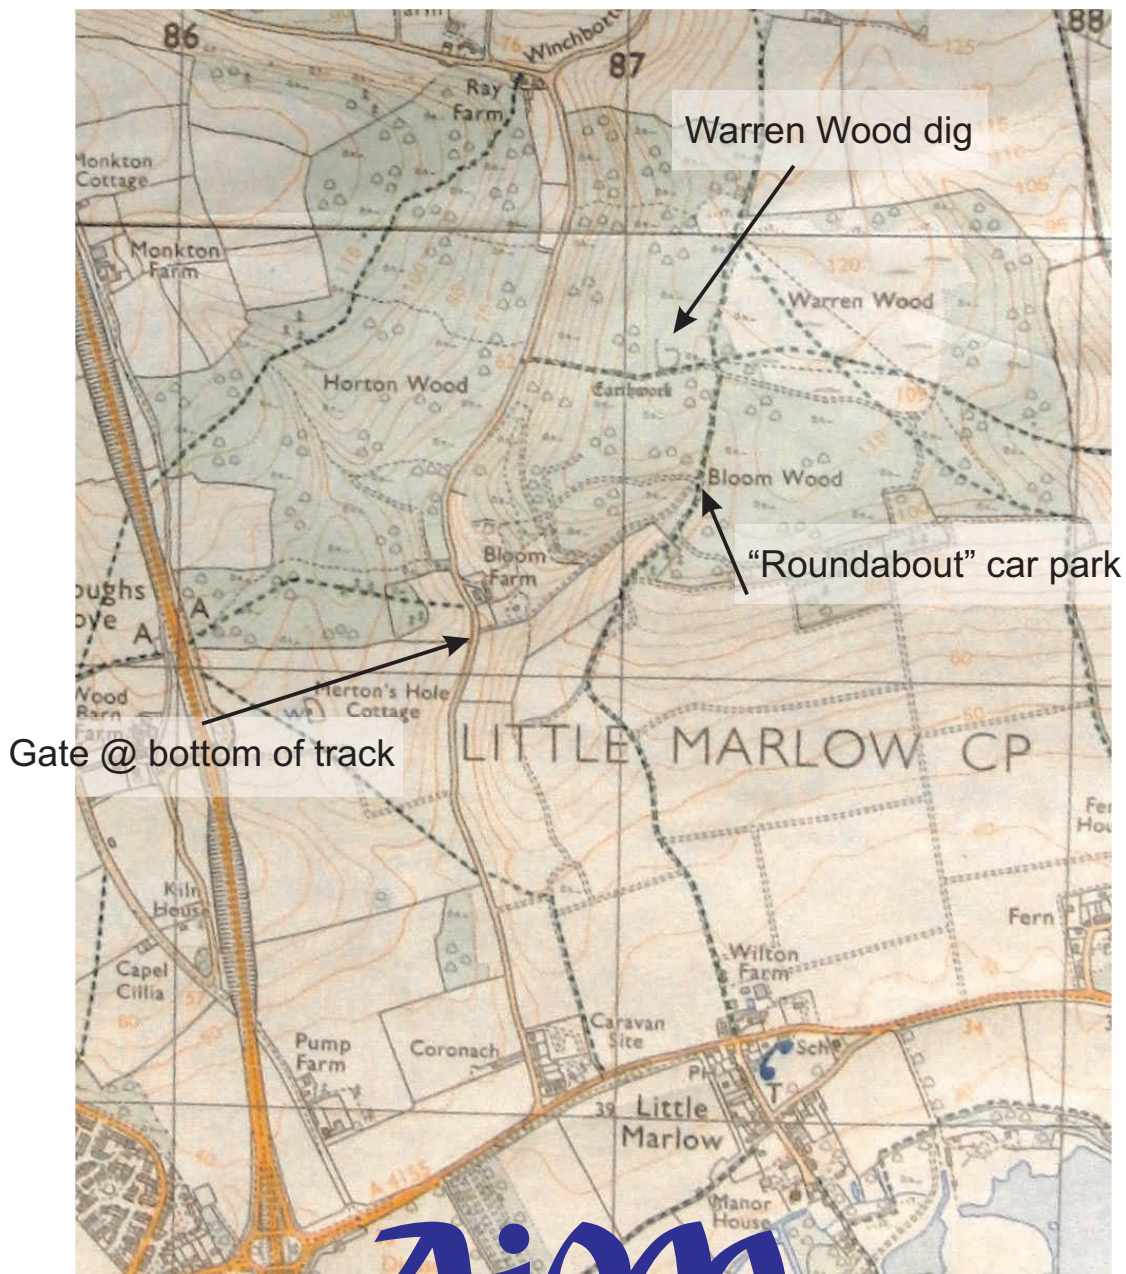

Meeting 10.00 at the car park in the woods (where we park for our Sunday Morning Excavation) – or even better at 9.45 at the bottom of the lane.

Its Free for AiM members and guests

The landowner has kindly agreed to walk us around his woods – which has numerous banks, ditches, pits it even has what may be another enclosure! – all with a possible archaeological interest. Roman and Georgian coins have been found and we have a new map with all of the features marked to show you!

IMPORTANT MEETING DETAILS:

The gate at the bottom of the private road will be open and manned from 9.30 through until 9.55 (on the dot) when it will have to be locked. If you accidentally arrive after then you can try phoning Gerry Palmer on 07852 758719 - but reception can be problematic! The walk starts at 10.00 from the “roundabout” car park at the top.
